

# 6872X-SK-V-AC / 6872X-SK-V-D-DC Single Flush toilet sensor system

## Product information

Type	:	Touchless wave on single flush sensor w/ button For concealed cistern
Brand Origin	:	United Kingdom
Brand	:	MIKI
Manufacturer Origin	:	P.R.C.
Model code	:	6872X-SK-V-AC 濕電
Model code	:	6872X-SK-V-D-DC 干電
Signage code	:	SP102-V (white plastic)
Signage code	:	SP112-V (satin stainless steel)
Power	:	DC D size battery x 4 / AC power
Installation	:	Concealed cistern
Material	:	Round Central : Black finish
Material	:	Round Side : Chrome finish
Sensing range	:	80mm ± 2cm
Response time	:	2 seconds
Sensor eye	:	Ø49mm
Sensor eye hole	:	Ø40mm
Flush valve	:	2" flush valve
HKWSD Approval	:	YES

manual override

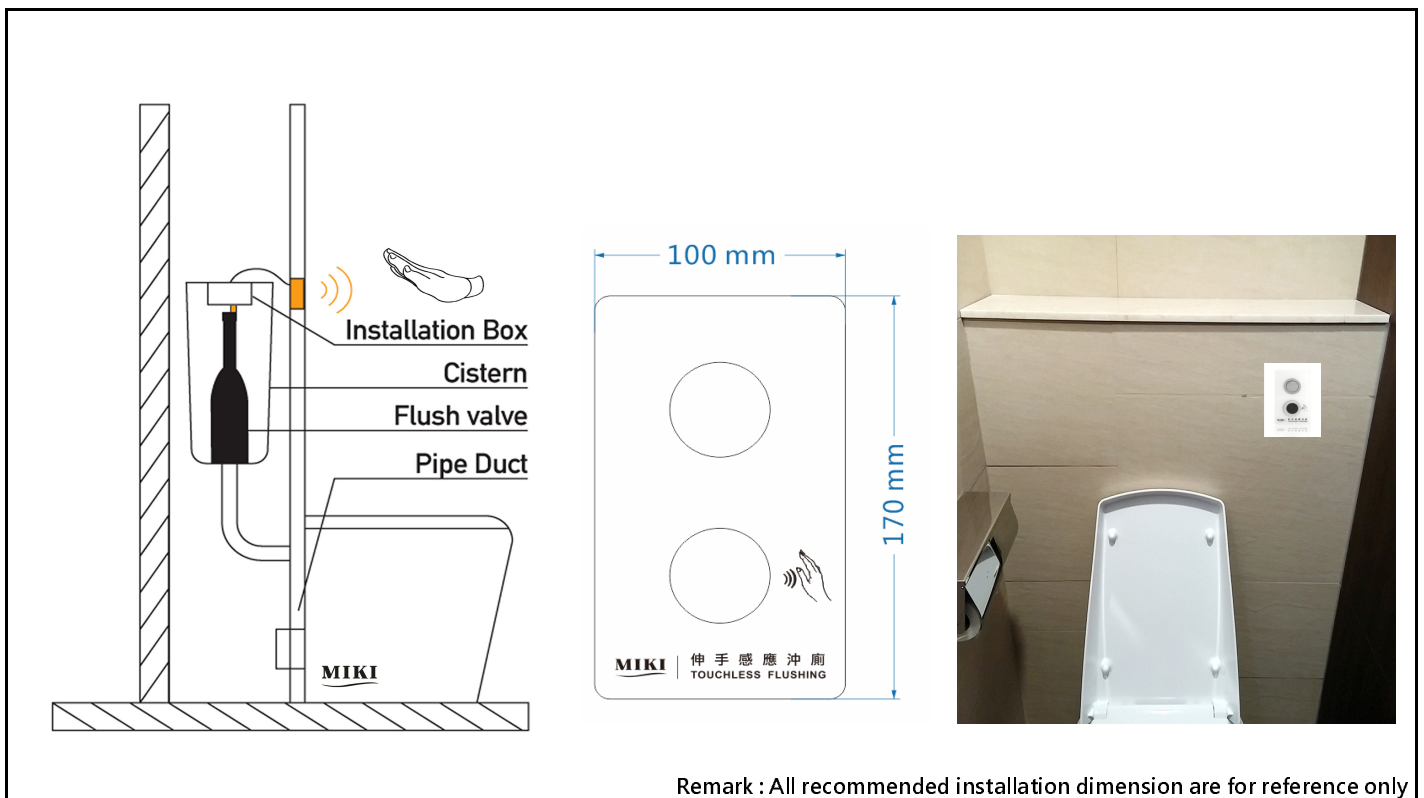

wave on sensor flus

### Guide specification :

Single flush sensor valve for concealed cistern.

Powered by AC , AC power include AC safety transformer with IP68.
